

## Haliburton Rocks!

## ITINERARY

The Haliburton Highlands really does “rock” in so many ways. Explore the rich minerals deposits, unique geological features, and rugged autumn landscapes of the area while enjoying the great hospitality and fine folk of the Highlands. Your full day itinerary includes a hike to world class undisturbed sites of unique minerals and crystals at Greenmantle Farm and rock hounding at the Bear Lake Dig. The day is fully-guided with transportation and a tasty lunch included.

- 8:30** Meet at town docks in Haliburton
- Leave for Wilberforce area and Greenmantle Farm
- 9:00** Gems Beneath your Boots - A visit to Greenmantle Farm near Wilberforce for a three hour hike to discover undisturbed deposits of fluorichterite, orthoclase, tremolite, actinolite, apatite, and quartz with hosts Sandra and Mark Bramham.
- 12:00** “Rock” Cuisine - a tasty lunch
- 1:30** Rock Hounding - Visit to the Bear Lake Occurrence to collect amphibole, green apatite, biotite, calcite, and titanite
- Option: visit Rock Artist, Gary Blundell
- 4:30** Return to Haliburton
