

## SUGGESTED ITINERARY

## Gone to Pot: Adventures in Clay

- 8:30am      **Meet at the Art Hive**
- Welcome and orientation to the days activities. We'll have introductions, and an overview of the day's itinerary.
- 9:00am      **Earth and Fire Pottery**  
<http://www.earthandfirepottery.ca/>  
Grahame (aka The "Hairy" Potter) and Debbie Wales welcome you to their picturesque log home and studio where they have been making functional and one-of-a-kind pottery for over 30 years.
- Here, you'll explore your creativity as you receive instruction in both wheel work and hand-building slab work techniques. Participants will make at least 2 items each and will pick from a selection of colour glazes. Your pieces will be fired by Earth and Fire per their kiln schedule.
- 12:00 pm    **Lunch**  
A delicious lunch, prepared and catered by the talented staff of the Gravity Coffee House will be served at Earth and Fire Pottery.
- 1:15 pm    **Pottery Studio Tour**  
Your afternoon will be spent touring nearby pottery studios including at least two of the following:
- Studio Rose**  
[http://www.haliburtonstudiotour.on.ca/artist\\_m.htm](http://www.haliburtonstudiotour.on.ca/artist_m.htm)  
Sylvia and Wayne Rose welcome you to explore the centuries old Raku pottery process. Along with a tour of their studio, here you will see the glaze firing of Raku first hand. Watch the pieces enter the ground amid flames and excitement and be prepared to be awed when the kiln opens and the pieces glow red hot!
- Rickie Woods**  
<http://www.rickiewoodspotter.ca/>  
A founder of the Haliburton County Studio tour, Rickie has been potting for over 30 years. We'll visit with Rickie and learn how pottery gets it's colours!
- Lisa Barry's Studio**  
[http://www.haliburtonstudiotour.on.ca/artist\\_x.htm](http://www.haliburtonstudiotour.on.ca/artist_x.htm)

One of the three potters in Ontario using a wood-fired kiln, Lisa' unique pottery harkens back to more traditional techniques. We'll visit Lisa's studio and learn all about wood-firing and its effects on pottery.

3:45pm

**The Art Hive**

<http://www.theearthive.com/>

We'll conclude the day's adventure back at the Art Hive. Enjoy afternoon tea in this converted historic general store as we chat with one of the three potters in this amazing artist collective. As the home base of the Maple Lake Artists Collective, the Art Hive is not to be missed!

4:30pm

**Departure**

**Please note:**

- Yours Outdoors is committed to providing great experiences. Knowledgeable guides and careful planning and administration ensure packages deliver value above expectations. The quoted package rate includes transportation costs, a delicious meal and afternoon tea, a pottery workshop that produces at least 2 pieces for each participant, and pottery pieces from at least one other potter.
- This Itinerary may change. Yours Outdoors reserves the right to make changes in response to individual and group needs, availability of experience providers, weather, and other factors.
- The Art Hive is located between Carnarvon and West Guilford on Hwy. 118. Click [here](#) for directions.
